ICAR-Central Institute for Research on Goats
Makhdoom, Farah - 281122, Mathura, U.P.

The Course

The Training Course on '**Hands-on training on value-added goat milk products processing**' is meant to sensitize our stakeholders and prospective entrepreneur interested in goat milk products processing and value addition about significance of clean milk production and to offer hands-on training on processing of various value-added goat milk products.

Course contents

- Hygienic goat milk production and processing
- Processing and consumer evaluation of goat milk paneer and cheeses
- Processing of cultured goat milk products
- Value addition of cheese/paneer byproduct
- Zoonotic disease associated with goat rearing
- Economics of establishing goat milk processing unit

Application procedure

Number of participants: 15

The interested 12th standard pass participants willing to or already engaged in goat milk production and processing business should send their applications in the prescribed format to the Course Coordinator **latest by 20th February, 2024**. Applicants are advised not to bring any companion with them. Shortlisted candidate will be informed through Institute website, email or telephone on **29th February, 2024**.

Financial implications

Course fee: ₹ 6000.00 (Rs. Six thousand only) per candidate

- The accommodation and food charge have **to be paid by the candidates**
- All participants may avail the lodging & boarding at Institute Guest House or Farmers' hostel on rental basis as per tariff decided by ICAR or they may stay at Agra or Mathura as per their convenience
- **No TA and DA will be given** to any participants
- The registration fee should be submitted along with application in the form of Demand Draft/online payment in favour of '**ICAR Unit CIRG**' payable at Mathura. Fee of non-selected candidate will be refunded at the earliest.

Institute location

ICAR-CIRG is located at almost equal distance from Mathura (22 km) and Agra (32 km). Both the places are well connected to all the major cities of the country by rail as well as road. One has to get down at Farah while taking bus journey. The distance between Farah town to Institute campus is 2 km.
