साफ़ सुथरा बकरी वध एवं मूल्यसंवर्धित बकरी मांस उत्पाद प्रसंस्करण

From 05-09 June, 2018 (5 days)

05-09 जून, 2018 (5 दिन)

We are pleased to inform that the Director, ICAR-Central Institute for Research on Goats (CIRG) Makhdoom, P.O. - Farah, Distt: Mathura, Uttar Pradesh- 281122 has approved a Training Course on **“Hands on Training on Hygienic goat slaughter and processing of value added goat meat products”** to be organized at ICAR-Central Institute for Research on Goats (CIRG) from 05th to 09th June, 2018. This Training Course is meant to sensitize our stakeholders involved in meat business about significance of hygiene in their routine slaughter and dressing process and offer hands on training on processing of various convenient, ready-to-eat goat meat products. ICAR-Central Institute for Research on Goats (CIRG) is having enough technical knowhow in the concerned field. The training programme is expected to improve the job performance as well as competence of personnel from meat business. The training programme can also be a step towards production of hygienic meat to ensure food safety and skill development approach to encourage entrepreneurship.

Course Objective:

To offer hands on training on hygienic goat slaughter and processing of value added goat meat products.

Course Description:

The present training programme is mainly designed for unaware and unskilled persons engaged in business of animal/goat slaughter and products processing with the aim of promoting food safety and skill development. The course objectives will be achieved through a combination of presentations, practical exercises and group discussions. It will particularly focus on:

Contents:

1. Hygiene in goat slaughter and processing.
2. Humane slaughter procedure
3. Meat composition and its nutritive value
4. Value addition of goat meat
5. Zoonotic disease associated with goat meat business
6. Economics in establishing goat meat processing business

Number of participants: 20**Institute location:**

ICAR-Central Institute for Research on Goats is a premier research Institute of Indian Council of Agricultural Research (ICAR), an autonomous organization under Department of Agricultural Research and Education, Ministry of Agriculture, Government of India. The Institute was established on 12th July, 1979 with the vision to develop the poor men's cow - the goat as a source of livelihood security, poverty alleviation and employment generation for the small, marginal and landless farmers. Our Mission is to enhance and sustain goat productivity in respect of meat, milk and fiber through Research, Extension and HRD support. The Institute is located at NH-2 between Agra and Mathura at almost equidistance. These two cities are famous for historical and cultural heritage i.e., the Taj Mahal and birth place of Lord Krishna, respectively.

Application Procedure:

The interested 12th standard pass participants willing to or already engaged in meat and products processing business should send their applications in the prescribed format to Director of the Institute or Course Coordinator, Dr. V. Rajkumar, Goat Products Technology Laboratory, Animal Nutrition and Product Technology Division, ICAR-Central Institute for Research on Goats, Makhdoom, P.O- Farah, Distt- Mathura, U.P. Pin-281 122 or through E-mail: vrvet@rediffmail.com, arun.lpt2003@gmail.com or by fax- 0565-2763246 latest by 25th May, 2018. Applicants are advised not to bring any companion with them. Shortlisted candidate will be informed through Institute website, email or telephone on 26th May, 2018.

Financial Implications:

Course fee will be charged from the participants ₹.7500.00 (Rupees Seven thousand five hundred only) per candidate. The accommodation and food charge have to be paid by the candidates. All participants may avail the lodging & boarding at Institute Guest House or Farmer hostel on rental basis as per tariff decided by ICAR or they may stay at Agra or Mathura as per their convenience. **No TA and DA will be given to any participants.** The registration fee should be submitted along with application form in the form of Demand Draft in favour of **ICAR Unit CIRG** payable at **Mathura**. Demand draft of non-selected candidate will be refunded on 26th May, 2018.
