

## Brief Biodata

### Personal Profile

**Name:** MANOJ KUMAR SINGH

**Current Position:** Sr. Scientist, Division of Goat Genetics & Breeding, Central Institute for Research on Goats, Makhddom Mathura

**Date of Birth:** 30<sup>th</sup> March, 1966

**Academic Qualification:**  
Ph.D: “Factor Affecting Trends in Performance of Karan Swiss and Karan Fries Cattle” (1995) from NDRI, Karnal  
(*Animal Genetics & Breeding*)

### Employment Record:

*On 22 Mar, 1996 joined ICAR as a Scientist at NAARM, Hyderabad*

**Postings (as a Scientist):**

- i. Equine production campus, Bikanar  
(Aug 2, 1996 to Sep 30, 2000)
- ii. Central Institute for Research on Goats, Makhdoom  
(Oct 1, 2000 to till date)  
As Scientist Sr. Scale and Sr. Scientist

### Research Projects:

**i. Number of Projects completed successfully:**

As Principal Investigator: 5 (Field based-4 and Farm based-1)

As Co-Principal Investigator: 8 (Field based-3 and Farm based-5)

**ii. Currently Running Projects:**

As Principal Investigator: 2 (Field based)

As Co-Principal Investigator: 2 (Field based)

**iii. As a II<sup>nd</sup> Incharge of PC Unit monitoring of AICRP on goat since 2006.**

**iv. Transfer of Technology & Extension Activities of Breeding Component since 2004**

## **Publication:**

**Research Articles: 53** (31 articles in Journals having 6.5 impact in NAAS rating)

As a principal Author:	<b>32</b>
As a co-author:	21
Lead Papers:	6
Review Articles:	2
Popular Articles:	15
Bulletins:	4
Book Chapter:	6
Proceedings:	2
Radio Talk:	3
TV Show:	2
Exhibition of Kisan Mela etc	14
Lectures in training	50

# Compilation of AICRP reports from different centers from 2006 to onward

# Performing additional duties of Extension Section in assisting/organizing trainings, consultancy, exhibition and technology dissemination

## **Area of Work:**

1. Characterization of breeds, production environments and formulation of Breeding strategies/plan of different breeds/ region/categories of farmers.
