

NATIONAL SEMINAR CUM ANNUAL CONFERENCE

celebrating

10-12

November, 2022

at
ICAR-CSWRI,
Avikanagar

Prospects and
Potential of Small
Ruminants Production
for Enhancing Income
under Changing
Scenarios

Organized by

**Indian Society for Sheep and
Goat Production and Utilization
(ISSGPU)**

in collaboration with

ICAR-Central Sheep and Wool Research Institute,
Avikanagar, Rajasthan

&

ICAR-Central Institute for Research on Goats,
Makhdhum, Uttar Pradesh

WELCOME TO

NATIONAL SEMINAR CUM ANNUAL CONFERENCE

Nov. 10-12, 2022

Prospects and Potential of Small Ruminants Production for Enhancing Income under Changing Scenarios

ICAR-CSWRI

The CSWRI is a premier institute of ICAR engaged in research, training and extension activities on sheep and rabbits. It was established in 1962 at Malpura in Rajasthan. Now campus is popular by the name of Avikanagar. It has three Regional Research Centres in different climatic zones of the country to develop region specific technologies, located at Garsa (HP), Mannavanur (TN) and Bikaner (Raj). The Institute has developed prolific sheep Avishan, Avikalin for carpet wool production and Bharat Merino sheep for fine wool production.

ISSGPU

The Indian Society for Sheep and Goat Production and Utilization, established in the year 1982, is a group of an active member of professional, researchers, Veterinarian and policymaker, which is engaged in the research and development of the sheep and goat production in the country. The ISSGPU supports the spread of the latest research and technological advancements in the country through conducting national seminar and conferences. The registered office of the society is located at the CSWRI Avikanagar, Rajasthan. The Indian Journal of Small Ruminant is the official journal published by the society both in print media and online version.

@seminar

Objective

To assess the emerging challenges and opportunities for enhancing small ruminants production under changing scenarios like COVID-19 epidemic, climate change, higher interest of younger generation in small ruminants rearing, high returns to farmers, etc. and suggest innovative measures with prime focus on enhancing the income from small ruminants production under different management systems.

Themes

- Breeding and Production Strategies
- Small Ruminants Feeding Strategies
- Health and Diagnostics Approaches
- Reproduction, Adaption & Physiology
- Post-Harvest Technologies & Value Addition

Scientific programme

Invited lectures from the renowned experts in their respective field will present the insights covering all areas of the small ruminant sector. It will be followed by industry-academia interface and scientific oral and poster sessions.

Panel discussion

Panel discussion cum round table conference for stakeholders including entrepreneurs, start-ups, progressive farmers, scientists and academia

Entrepreneurship and startup's in small ruminant production
Expert talks from successful entrepreneurs
Networking opportunities for your start-up
Funding source information

Expected outcome

Recommendations for addressing the various issues raised in the Seminar will be made available to policy planners. Further, different strategies for enhancing the small ruminants productivity and product utilization will be framed for stake holders.

Abstract submission

Authors are invited to submit abstract (300 words) for the oral or poster presentation. The abstract should contain sufficient information to decide the merit and its relevance to the conference theme and above technical sessions. Authors should email the abstract to issgpu2022@gmail.com before Sept 30, 2022. The abstract should be in Times New Roman (Font size 12; spacing 1.5). It should be in the following order: technical session name, title, author names, affiliation and abstract. Abstract acceptance for paper or poster will be communicated by email.

All previous year abstracts submitted will be considered as accepted.

IMPORTANT DATES

Online submission of abstract	30 September 2022
Last date of registration and payment of fees	15 October 2022
Seminar date	10-12 Nov. 2022

Venue

ICAR–Central Sheep and Wool Research Institute,
Avikanagar, Rajasthan – 304501

How to reach?

CSWRI is situated about 90 km from Jaipur city. The campus is accessible through road either by Rajasthan State Roadways bus service or by hired taxi. It is located 8 km after Diggi and 5 km before Malpura town on state highway No SH12. The nearest airport and railway station is Jaipur.

Nearby places of interest

Kalyanji temple, Todarai Singh Mahal, Dada Badi temple, Ghati temple, Amber fort (Jaipur)

Awards

ISSGPU awards

To recognize the contribution of research in the field of sheep and goat production and utilization, the ISSGPU confer the various awards including:

- ISSGPU Fellow
- Young & Middle Career Scientist Award
- Best Research Article Award etc

For more details. www.issgpu.org

Seminar awards

Two Best Paper (oral) and Two Best Posters in each session will be awarded

Registration

Registration form can be filled online using a Google form.

[Click here for registration](#)

Registration Fee	Offline
Delegates: Academia/Scientists	Rs.5000/-
Students	Rs.2500/-
Entrepreneurs/Farmers (only for round table conference on 12 Nov. 2022)	Rs.1000/-

Registration fee includes registration kit, compendium, and food during the conference days. Any accompanying person with delegates need to pay Rs. 1500 per person.

Bank Details for Paying Registration Fees

Account Name: Diamond Jubilee Seminar CSWRI Avikanagar

Account Number: 50100476187432

Bank and Branch Name: HDFC bank, Malpura

IFSC Code: HDFC0004874

Organizing Committee

Chief Patron

Dr. Himanshu Pathak
DG, ICAR & Secretary, DARE

Patron

Dr. B. N. Tripathi
DDG (AS), ICAR

Chairman

Dr. Arun Kumar Tomar,
Director, ICAR-CSWRI

Co-Chairman

Dr. D. K. Sharma
Director (A), ICAR-CIRG

Organizing Secretary

Dr. R. S. Bhatt
Pr. scientist, ICAR-CSWRI

Co-Organizing Secretaries

Dr. C. P. Swarnkar
Scientist (SG), ICAR-CSWRI

Dr. S S Misra
Pr. Scientist, ICAR-CSWRI

Dr. Vinod Kadam
Scientist, ICAR-CSWRI

Dr. Ajit Singh Mahla
Scientist, ICAR-CSWRI

Dr. Arvind Soni
Scientist, ICAR-CSWRI

Dr. Gopal Das
Pr. Scientist, ICAR-CIRG

Dr. RVS Pawaiya
Pr. Scientist, ICAR-CIRG

Dr. Ashish Chopra
Sr. Scientist, ICAR-CSWRI
